

NEWS RELEASE: LOUISIANA BAPTIST CHILDREN'S HOME & FAMILY MINISTRIES

MARCH 18, 2020 Perry Hancock, Ph.D., President and CEO

Louisiana Baptist Children's Home and Family Ministries is joining efforts to reduce the spread of the COVID-19 virus. All administrative offices on the Monroe campus will be closed from Saturday March 21st through Sunday April 12th. Most administrative functions will continue as staff work through remote access portals. The Children's Home will continue services for all children, young adults, and families in residence. The campus will be closed to visitors. Campus tours and church group activities will be rescheduled. These measures and others will reduce the exposure that our residents and staff have to the virus. Ultimately, we trust God to accomplish His will and purpose through this crisis. Please know of our prayers for everyone in our community, nation, and the world as we face this challenge together.
